**Department for Maritime and Transport Law**  
**Course: Maritime and Transport Law**  
**Lecturer: doc.dr.sc. Iva Savić**  
**May 29<sup>th</sup>, 2018**

**1. How many times did you attend doc. Savić lectures?**

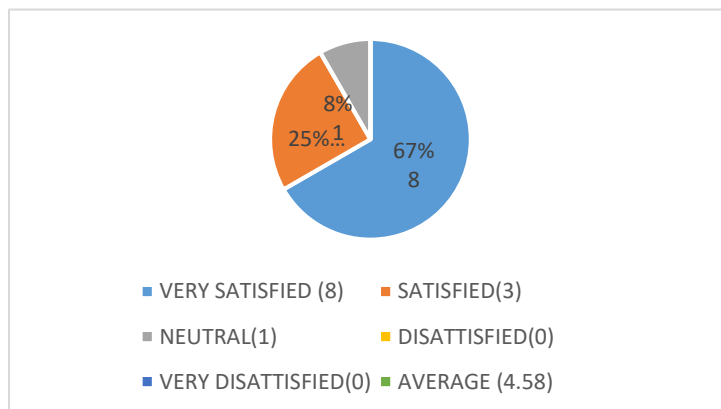

**2. How are you satisfied with lecture performing by doc. Savić? Please comment below.**

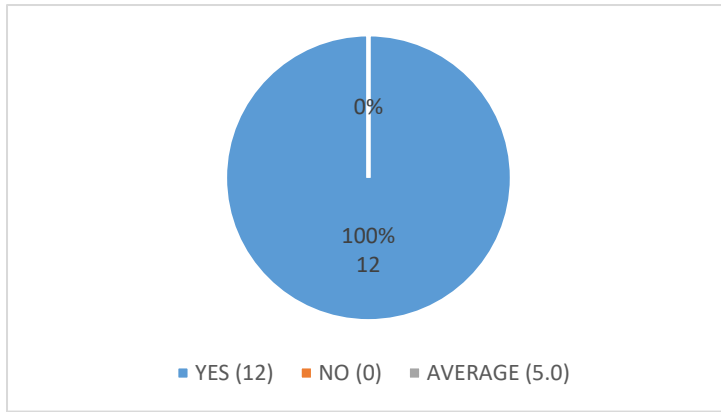

- one of the best lectures in my 10 months Erasmus time in Croatia
- very interactive, interesting and fun lectures, easy to follow
- doc. Savić was always well prepared for classes, very enthusiastic, happy to answer all of our questions and has excellent English skills

**3. What is your overall satisfaction with course Maritime and Transport Law?  
Please explain.**

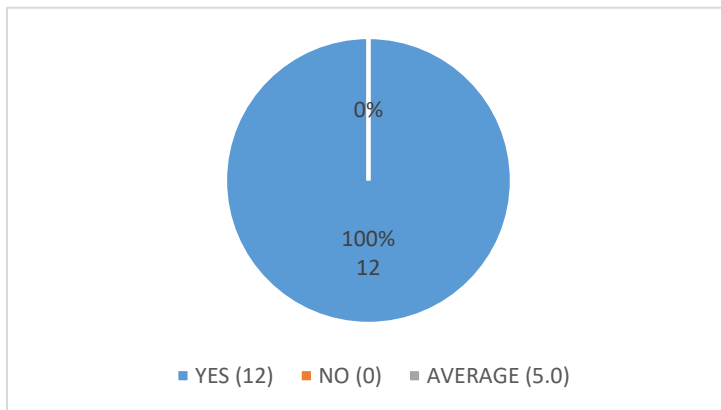

- extremely interesting course, loved the variety of topics, a lot of useful information
- interesting and refreshing approach
- it was only about EU and not international transport law but very interesting
- classes lasted too long (5 hrs per a week)
- the class should include some materials for further assistance ( besides PowerPoint)

**4. Do you feel that attending the course improved your overall legal knowledge?**

**5. Would you recommend MTL course to your student colleague? Please explain.**

- i have already a friend taking the course next year
- definitely
- my home faculty doesn't have maritime law, so this is a chance to learn something useful
